2. SINGLE FAMILY RESIDENTIAL USE. No lot shall be used except for private, single family residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one detached single-family dwelling, not to exceed 2 ½ stories in height and, if approved in advance in writing, a private detached garage or hobby-type/storage building.

3. SUBDIVISION OF LOTS. Developer or any subsequent owner of a lot, with prior written consent of Developer or its nominee, may sell and convey a portion of any lot to the owner of an adjoining lot, provided that any such sale of a portion of a lot does not result in the creation of another lot or a greater number of lots than that shown on said plat and does not violate any other provisions hereof. No lot may be subdivided to create an additional lot. In any such sale of a portion of a lot, the portion shall merge into and become part of the adjoining lot, and the terms and conditions herein shall apply to the lot and portion of a lot as though they were originally platted as one lot. Notwithstanding any provision herein, Developer reserves the right to re-subdivide any portion of the property for the purpose of adjusting property lines or consolidating lots, provided, however no such changes shall create any greater number of lots than that shown on the plat of Wynnure.

4. MINIMUM HEATED AREA. No dwelling shall be erected on any lot having less than two (2) bathrooms and no less than Two Thousand (2000) square feet of heated floor area. All dwellings shall have an attached garage which is connected to and is an integral part of the single family dwelling. If the dwelling has a second story, the first floor must have no less than Twelve hundred (1200') square feet of heated floor area. The floor area required by this article shall not include basements, porches, verandahs, breezeways, terraces, garages, or hobby-type/storage buildings.

5. BUILDING SETBACK LINES. No building or portion of a building, including stoops, verandahs, steps and porches shall be located on a lot nearer the front property line or nearer the side street property line of the lot than the setback line(s) shown for such lot on the plat of Wynnure referred to in the deed to such lot from Developer, nor nearer than twenty (20) feet to any side/rear lot property line. Nonetheless, Developer reserves the right and privilege, upon showing of special, unique or unusual circumstances to give a waiver to any setback restrictions on a lot, but such waiver must be given in writing to be valid. Developer reserves the right to deny a waiver for any reason deemed appropriate in its sole discretion.

6. DEVELOPER PLANTED LANDSCAPING. The Red Maple trees planted by the Developer along Harrison Rd, Murph Rd. and Thorncrest Dr. are to be maintained and replaced (if needed) by the owners of the lot(s) upon which the trees are planted. Owners of these lots are NOT allowed to cut down, remove, or prune to excess, any Red Maple tree(s) without written approval of the Developer or its nominee. If a Red Maple tree is replaced, the replacement tree must have a minimum of a 4 inch trunk.

7. APPROVAL OF BUILDING PLANS - SPECIAL CONDITIONS.

A. No building or structure, whether it be the dwelling house, any garage, hobby-type building or driveway shall be erected, placed or altered on any lot until the building plans, elevations, location, specifications and driveway have been approved in writing by Developer or its nominee. If such shall not be approved or disapproved within thirty (30) days after being submitted, then such approval shall not be required, provided, however, the design and location of the proposed construction shall conform to the specific building requirements stated herein and otherwise be in harmony with the existing structures in the subdivision. Any proposed detached garage or hobby-type/storage building must be built as a permanent structure and be designed in harmony with the main dwelling. Disapproval of plans, elevations, location or specifications may be based purely upon aesthetic reasons in the sole discretion of the Developer or its nominee.

B. The completion of improvements upon a lot shall include the landscaping of the yard, including the grassing or sodding of the yard and the planting of shrubs and/or decorative plants or bushes along the front elevation of the dwelling.

C. The front elevation of the dwelling's foundation must be a minimum of twelve (12") inches above the finished grade of the yard.

D. All garages shall be equipped with an overhead door(s). No garages shall open (face) any street. The Developer reserves the right to waive this provision.

E. Approval of plans and specifications for lots number 9 & 10 will be subject to meeting the following standards:

(1) No structure or garage on these lots shall face or open to Thorncrest Drive. The dwelling structure shall face Murph Road and no driveway shall access Thorncrest Drive.

(2) The Developer has broad discretion, which may be exercised purely for aesthetic reasons and no other, with respect to the approval of the location of a detached garage or hobby-type storage building on these lots.

8. **PROHIBITED BUILDING MATERIALS.** Concrete blocks, cement bricks or concrete walls shall not be used in the construction of any building, garage or hobby-type/storage building unless the exterior of same is faced with brick, stone, stucco or some other material approved by Developer or its nominee. 10. **REQUIREMENTS FOR DRIVEWAYS.** All driveways shall be constructed of either asphalt paving or concrete and shall be maintained by the owner of a lot in a good state of repair and suitable appearance. Where driveways from a lot intersect with the public street having an existing "rolled" curb, said driveway will abut the existing "rolled" curb, thereby keeping the "rolled" curb in tact and undamaged. If during construction or otherwise, the curb or pavement adjacent to a construction site is broken, removed or otherwise damaged, the owner of the lot upon which such construction/work is being done shall bear the cost of replacing or repairing such damage to the satisfaction of the Developer or its nominee.
11. **DEVELOPER'S DISCLAIMER. DEVELOPER AND ITS SUCCESSORS, ASSIGNS, AGENTS, CONSULTANTS AND EMPLOYEES, HEREBY DISCLAIM ANY AND ALL WARRANTIES, EXPRESSED OR IMPLIED, OF GOOD WORKMANSHIP, DESIGN, HABITABILITY, QUALITY, FITNESS FOR ANY PARTICULAR PURPOSE OR MERCHANTABILITY OR ANY REPRESENTATION CONCERNING SAME, AND NO WARRANTIES OF ANY KIND SHALL ARISE AS A RESULT OF ANY PLANS, SPECIFICATIONS, STANDARDS OR APPROVALS MADE OR APPROVED BY DEVELOPERS, OR ITS NOMINEES, AND DEVELOPER SHALL NOT BE LIABLE TO ANY OWNER OR ANY OTHER PERSON ON ACCOUNT OF ANY CLAIM, LIABILITY, DAMAGE OR EXPENSE SUFFERED OR INCURRED BY OR THREATENED AGAINST ANY OWNER OR SUCH OTHER PERSON ARISING OUT OF OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF ANY REVIEW, ACCEPTANCE, INSPECTION, PERMISSION, CONSENT OR REQUIRED APPROVAL WHICH MUST BE OBTAINED FROM DEVELOPER, WHETHER GRANTED OR DENIED. No fence shall exceed six feet in height. The Developer, or his nominee, may disapprove fencing for any reason, including aesthetic reasons. No fencing of any kind shall be installed or allowed to remain on any lot which shall interfere, damage or obstruct the installation or maintenance of any utility. On corner lots, no fences shall be erected beyond the side building setback line shown on the plat above referred to. Any and all fencing erected on any corner lot must meet special additional requirements as to appearance, materials used, style and location. Written approval must be obtained from the Developer before ANY fence construction can take place on corner lots.
15. **BUSINESS ACTIVITIES PROHIBITED.** No commercial operations, business operations, manufacture or production shall be permitted upon any lot. The selling, showing or marketing from a lot of any kind of goods, products or apparel is expressly prohibited. Only vehicles bearing current license plates shall be parked or stored within public view from the street. No truck over three quarter (3/4) ton, no trailers, no tractors, no commercial vehicles and no automobiles bearing advertisements, signs, or placards are to be

stored or parked on residential property unless screened from public view from the street or from adjoining property except when making deliveries/service /repair calls. 25. COMPLETION OF IMPROVEMENTS. All houses and other structures related thereto must be completed within one (1) year after the commencement of construction, except where such completion is impossible due to strikes, fires, national emergency or other natural calamity.

26. COVENANT OF GOOD APPEARANCE AND REPAIR. Each lot owner shall maintain his lot and the exterior of all improvements in good appearance and repair in order to assure that no condition exists which would diminish the good appearance of the property. Every owner of a vacant or unimproved lot shall keep such lot free of debris and unsightly underbrush, weeds or other unsightly vegetation. In the event that an owner shall fail to maintain a lot in a good state of repair and appearance, the Developer and/or Wynmure Homeowners Association, Inc., or their agents or employees, shall have the right to maintain same and charge the cost thereof to the owner, but no work shall be done without due and proper notice to the owner and an allowance of at least thirty (30) days to correct specified deficiencies. 27. SIGNS. No signboards or other signs of any kind shall be displayed on any lot except a single "For Sale" and a builder's sign, or a single "For Rent" sign. No sign shall be more than thirty inches (30") by thirty inches (30") in size, provided, however, the Developer shall have the right to use additional signs for the development of the property. 28. MAINTENANCE OF STREET RIGHT-OF-WAY. The owner of a lot shall be responsible for the planting and maintaining of the area from the property line(s) to the edge of the pavement or curb of the street or streets upon which said lot abuts.

29. FUEL TANKS. All fuel tanks or containers shall be buried underground, or enclosed in a structure (and located only in the rear portion of the property), in a manner consistent with normal safety precautions and in accordance with the rules and regulations of appropriate governing bodies or agencies or the South Carolina Department of Health and Environmental Control, whichever the case may be. The Developer will use an example of the style mailbox and supporting structure at the entrance to the subdivision for the distribution of subdivision information. After the installation, each owner has the responsibility of keeping same in good repair and appearance.

31. MEMBERSHIP AND VOTING RIGHTS IN THE ASSOCIATION.

A. Membership. Every person or entity who is a recorded owner of a fee or undivided fee interest in any Lot which is subject by covenants of record to assessment by the Association shall be a member of the Association, provided that any such person or entity, who holds such interest merely as a security for the performance of an obligation, shall not be a member.

B. Voting Rights. All members as defined in Paragraph "A" including the Developer shall be entitled to one (1) vote for each Lot in which they hold the interests required for membership by Paragraph "A". When more than one person holds such interest or interest in any Lot, all such persons shall be members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any such Lot.

32. COVENANT FOR MAINTENANCE ASSESSMENTS.

A. Creation of Lien and Personal Obligation of Assessments. The Developer for each lot owned by it within Wynmure hereby covenants and each owner of any lot by acceptance of a deed to a lot within Wynmure, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association:

(1) Any annual assessments or charges to be determined; and

(2) Special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and cost of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purposes of promoting the health, safety and welfare of the lot owners in Wynmure and in particular shall be used for the payment of costs and expenses, including, but not limited to, the following:

(1) For the payment of expenses related to the upkeep, maintenance and replacement of signs within Wynmure identifying the subdivision, containing street names or other safety signs, if any.

(2) For the payment of services for any street lighting undertaken and accepted by the Association.

(3) For the payment of expenses for services in connection with the maintenance, upkeep and improvement of any landscaping, fencing, lighting or watering systems that may be installed in any landscape easement.

(4) For any other purpose, cost or expense reasonably related to the performance of any duty or responsibility of the Association as determined by the Board of Directors of said Association in accordance with these restrictions.

C. Basis of Annual Assessments. The Board of Directors of the Association may, after consideration of current maintenance cost and future needs of the Association, fix the initial annual assessment. Lots owned by the Developer or Builders shall be exempt from annual assessments until such time as a completed dwelling shall have been constructed thereon. Such an exemption shall not affect the Developer's or Builder's voting rights in the Association.

D. Special Assessment for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purposes of the meeting.

E. Change in Annual Assessments. Any change in annual assessments shall have the assent of two-thirds (2/3) of the votes of members who are voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all members at least thirty (30) days in advance and shall set forth the purpose of the meeting.

F. Quorum for Any Change in Assessments/Special Assessments. The quorum required for any action respecting assessments, shall be the number of Members present at a meeting duly called and convened.

H. Duties of the Board of Directors. The Board of Directors of the Association shall fix the date of any special assessment and at least thirty (30) days in advance of the due date of any assessment prepare a roster of the properties and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer of the Association setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

I. Effect of Non-Payment of Assessments; the Personal Obligation of the Owner; the Lien; Remedies of Association. If the assessments are not paid on the date when due, then such assessments shall become delinquent and shall, together with such interest thereon and cost of collection thereof, as hereinafter provided, become a continuing lien on the property, which shall bind such property in the hands of the then Owner, his heirs, devisees, Personal Representatives, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall remain his personal obligation for the statutory period, but such personal obligation shall not pass to his successors in title unless expressly assumed by them. Such successors in title do, however, take the title subject to any outstanding lien for assessments. If the assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the delinquency date at the rate of one and one-half (1 ½%) per month (ANNUAL PERCENTAGE RATE - 18%) from the delinquency date. The Association may bring an action at law against the owner personally obligated to pay the same or an action to foreclose the lien against the property, and there shall be added to the amount of such assessment, the interest thereon as above provided, plus reasonable attorney's fee and the costs of the action.

J. Lien of Assessment is Subordinate to Recorded Mortgages. The lien of assessment provided for herein shall be subordinate to the lien of any mortgage now or hereafter placed upon a lot subject to the assessment. The sale or transfer of a lot shall not affect the assessment lien, provided, however, the sale or transfer of any Lot pursuant to mortgage foreclosures or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such lot from liability for any assessments thereafter coming due or from the lien thereof.

33. ENFORCEMENT BY HOMEOWNERS ASSOCIATION. Except for approvals and rights expressly reserved herein unto the Developer or its nominee, the Wynmure Homeowners Association, Inc., shall have standing to enforce the within restrictions, covenants and obligations in the same manner and to the same extent as does the Developer or any other owner. The powers and authorities herein granted to the said Association shall be in addition to such other and further rights, duties and obligations which may be set forth in the by-laws of the Association adopted in accordance with the terms hereof.

34. DELEGATION OF DEVELOPER'S RIGHTS. All rights reserved unto the Developer herein remain exclusively with the Developer, its successors and assigns, provided, however, Developer may assign and/or delegate all or part of such reserved rights to the Homeowner's Association.

35. TERM OF ENFORCEMENT AND AMENDMENTS. These covenants, conditions, easements and restrictions shall be binding upon the Developer, its successors and assigns, upon all future owners, their respective heirs, successors and assigns, and all parties claiming under them, until December 31, 2025, at which time the terms hereof shall be automatically extended for successive periods of ten (10) years thereafter, unless the then Owners owning at least two-thirds (2/3) of the Lots in Wynmure agree in writing to terminate or change same. Notwithstanding anything herein to the contrary, the Developer, its successors, and assigns, reserves the right to waive, modify or change in writing, any of the terms hereof with respect to the application thereof to a lot based upon special, unique or unusual circumstances, but no such waiver, modification or change shall substantially affect the overall plan of development

36. EFFECT OF COVENANTS AND ENFORCEMENT.

A. Effect of Provisions of These Covenants. Each owner, tenant and guest, their successors, heirs and assigns, and all others who take an interest in land or realty within Wynnure do promise, covenant and undertake to comply with each provision of these covenants, which provisions:

(1) shall be considered and deemed to be incorporated in each deed or other instrument by which any right, title or interest in any lot within Wynnure is granted, devised or conveyed, whether or not set forth or referred to in such deed or other instrument;

(2) shall, by virtue of acceptance of any right, title or interest in any lot by an owner, be deemed accepted, ratified, adopted and declared as a personal covenant of such owner to, with and for the benefit of the Developer, the Association and all other owners, their respective heirs, successors and assigns;

(3) shall be deemed a real covenant by the Developer for itself, its successors and assigns and also an equitable servitude, running in each case, both as to burdens and benefits with and upon the title to each lot within Wynnure;

(4) shall be deemed a covenant, obligation and restriction secured by a lien binding, burdening and encumbering the title to each lot within Wynnure, which lien, with respect to any such lot shall be deemed a lien in favor of the Association.

B. Who May Enforce. The benefits and burdens of these covenants run with the land at law and in equity, and the Developer, the Association, their respective successors and assigns, and any owner, his heirs, successors, legal representatives, Personal Representatives and assigns shall have the right to proceed against any party in violation of these covenants and to compel a compliance to the terms hereof and to prevent the violation or breach in any event. **Each and every owner of property with Wynnure shall have the same right and obligation for enforcement of any provision of these covenants. The responsibility does not rest solely or wholly with the Developer.**

C. Against Whom May the Covenants be Enforced. The obligation and benefits prescribed by this instrument shall run with the property and shall be enforceable against any owner, his heirs, successors and assigns, or any other person whose activities bear a relation to the property, including guests and tenants when the aforesaid persons or entities engage in activities (including omissions and failures to act) which constitute violations or attempts to violate, contravene or circumvent the terms hereof.

D. Enforcement Remedies. In addition to other enforcement rights mentioned herein, in the event that any structure is erected, constructed, reconstructed, altered, repaired, converted or maintained, or any structure or land use is in violation of these covenants, the Developer, its successors and assigns, the Association or any owner may institute appropriate legal proceedings or actions at law or in equity, including, but not limited to, actions: (1) to prevent such unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance or use; (2) to restrain, correct or abate such violation, or breach of these covenants; (3) to prevent the occupancy of any dwelling or land; (4) to prevent any act, conduct, business, or use which is in breach of these covenants; or (5) to compel any affirmative act which, pursuant to these covenants, "shall" be performed. Any action in equity hereunder for the enforcement hereof shall not be barred on the grounds that there may also exist an adequate remedy at law. The prevailing party in any action to enforce these restrictions shall also be entitled to reasonable attorney fees against the other party.

37. MISCELLANEOUS.

A. No Waiver. Failure to enforce any provision or provisions of this instrument for any period of time by the Developer, the Association or any owner shall not be deemed a waiver or estoppel of the right to enforce same at any time thereafter.

B. Captions. The captions and headings in this instrument are for convenience only and shall not be considered as controlling in construing the provisions hereof.

C. Board Authorization. All actions of the Association shall be authorized actions if approved by the Board of Directors of the Association in accordance with the terms of this instrument.

D. Gender, Tense, Number and Applicability of Definitions. When necessary for proper construction, the masculine form of any word used herein shall include the feminine or neuter gender, and the singular, the plural and vice versa, and words used in the present tense shall include the future tense.

E. Savings Clause. If any provision or provisions of this instrument are found to be ineffective or unenforceable for any reason in the final judgment of any court having jurisdiction of the subject matter, hereof, the remaining provisions hereof shall remain fully enforceable and binding upon the owners, their respective heirs, successors or assigns.
